<u>Claim Level Deficiency</u>			
Deficiency ID	Deficiency Name	Deficiency Description	How to Fix
xxx	CLAIM DOES NOT BALANCE	The Claim as submitted was not a balanced Claim. The beginning holdings plus purchases of Centene common stock do not equal sales plus the number of shares held at close of trading on October 21, 2016. The total number of shares entered in sections 1, 2, and 3 must equal the total number of shares entered in sections 4, and 5 of the Schedule of Transactions in Centene common stock.	You can resolve this deficiency by supplying all called-for share amounts in the Schedule of Transactions in Centene common stock together with the required revised data.
xxx	CLAIM SUBMITTED WAS FOR AN INELIGIBLE SECURITY	One or more securities listed in your Claim are not the eligible security. Centene common stock is the only security eligible under the Settlement.	You can only resolve this deficiency by submitting documentation supporting purchases of Centene common stock during the Class Period from May 24, 2016, through July 25, 2016, inclusive. Please Note: If you have purchase and sales transactions of Centene common stock during this period, you must also provide this and all other information called for in the Proof of Claim Form with respect to your holding of any transactions in Centene common stock.
xx	NO PURCHASES CLAIMED IN THE CLASS PERIOD	This Claim does not contain any purchases of Centene common stock during the Class Period, i.e., from May 24, 2016, through July 25, 2016, inclusive.	You can only resolve this deficiency by submitting revised data supporting purchases of Centene common stock during the Class Period.
x	DUPLICATE CLAIM FILED	The Claim referenced is a duplicate and is, therefore, rejected.	You can only resolve this condition of ineligibility if you can demonstrate that this Claim is not a duplicate of the Primary Claim. You must send an email explaining why you believe this Claim should not be deemed a duplicate along with acceptable documentation to support your position. If you acknowledge that this Claim is a duplicate of the Primary Claim but wish this Claim to be the operative Claim and the Primary Claim to be rejected, a signed, notarized letter from the beneficial owner of the securities stating that this Claim should be considered and that the Primary Claim should be withdrawn must be submitted along with a copy of this notice.

x	CLAIM SUBMITTED BY OR ON BEHALF OF AN EXCLUDED PERSON OR ENTITY	The person or entity on whose behalf this Claim was filed is an excluded person or entity under the terms of this Settlement	<p>Excluded from the Settlement Class are: (i) Defendants; (ii) members of the Immediate Family of each Individual Defendant; (iii) any person who was an Officer or director of Centene; (iv) any firm or entity in which any Defendant has or had a controlling interest; (v) any person who participated in the wrongdoing alleged; (vi) Defendants' liability insurance carriers; (vii) any affiliates, parents, or subsidiaries of Centene; (viii) all Centene plans that are covered by the Employee Retirement Income Security Act of 1974 ("ERISA"); and (ix) the legal representatives, agents, affiliates, heirs, beneficiaries, successors-in-interest, or assigns of any excluded person or entity, in their respective capacity as such. Also excluded from the Settlement Class are any persons and entities who or which exclude themselves by submitting a request for exclusion that is accepted by the Court.</p> <p>If you believe that the person or entity on whose behalf this Claim was filed was incorrectly identified as an Excluded Person, please contact or call the Claims</p>
xxx	FURTHER INFORMATION REQUIRED	The Claims Administrator is requesting further documentation to support the Claim and its filer.	Please call the Claims Administrator for more information regarding what is needed.
xx	CLAIM DOES NOT CALCULATE TO A RECOGNIZED CLAIM UNDER THE PLAN OF ALLOCATION	In accordance with the Plan of Allocation set forth in the Notice, the Claim referenced above does not calculate to a Recognized Claim and is, therefore, ineligible to receive a payment from the Net Settlement Fund.	<p>You can resolve this condition of ineligibility only by submitting additional purchase transactions of Centene common stock during the Class Period, i.e., from May 24, 2016, through July 25, 2016, inclusive, that were not previously reflected in your Claim and which make your Claim calculate to a Recognized Claim. You must also support any additional transactions with acceptable documentation.</p> <p>Acceptable documentation includes securities broker's confirmation slips, month- and year-end account statements, or similar documentation (self-generated documents are not acceptable).</p>
x	MISSING TRANSACTION INFORMATION	The information as entered on your submission did not include all details for the transaction(s).	You can resolve this deficiency by supplying all called-for transactional information in a revised data file.

Transaction Level Deficiency

Deficiency ID	Deficiency Name	Deficiency Description	How to Fix
xxx	TRANSACTION AS TRANSFER IN	The Claim referenced contains one or more transactions that were presented or identified as a gift or transfer into your account (also called a "free receipt") during the Class Period. The data submitted, however, does not reflect when the shares were purchased.	In order for the Claim to be properly calculated, you must submit revised data that provides information regarding the original purchase/acquisition of the shares in the noted transactions before they were transferred into the account. Specifically, you must submit, with respect to each transaction, revised data that reflects the date on which the shares in each transaction were purchased/acquired.
xxx	PRICE PER SHARE OUT OF RANGE	The price per share is outside of the normal range for that day and/or the information provided for the transaction is incorrect. Please check dates and data.	Please review your data to confirm the price that you provided is correct. If the data is correct, provide adequate supporting documentation substantiating the price.
xx	NET AMOUNT OUT OF RANGE	The price X quantity is outside of the normal range. Please check dates and data.	Please review your data to confirm the net amount of the transaction. If the data is correct, provide adequate supporting documentation substantiating net amount.
x	INELIGIBLE SECURITY CLAIMED FOR TRANSACTION	One or more securities claimed for the transaction(s) set forth are not the eligible security for this Settlement.	The only security eligible in this Settlement is Centene common stock. If you did not purchase Centene common stock during the Class Period, you are not eligible to participate in the Settlement.
x	TRANSACTION OUTSIDE CLASS PERIOD	The purchase transaction(s) set forth did not occur during the Class Period. Unless a date in the supporting documentation is incorrect, the transaction(s) will not be included in your Claim.	
xxxxx	TRANSACTION AS TRANSFER OUT	The Claim referenced contains one or more transactions that were presented or identified as a transfer out of your account (also called a "free delivery") during the Class Period. The data submitted, however, does not reflect the date and means of final disposition of the shares.	In order to include the shares in the calculation of the Claim, you must submit acceptable supporting documentation demonstrating that the final sale of those shares subsequent to the transfer out of the account occurred during the period of May 24, 2016, through October 21, 2016, both dates inclusive, or held as of close of trading on October 21, 2016. Specifically, if the shares identified as a "Transfer Out" were ultimately sold during the period of May 24, 2016 through October 21, 2016, both dates inclusive, you must submit, with respect to each transaction, acceptable supporting documentation that reflects the date of the final sale of the shares.
xx	MISSING TRANSACTION INFORMATION	The information as entered on your submission did not include all details for the transaction(s).	You can resolve this deficiency by supplying all called-for transactional information in a revised data file.
